WHO WE ARE

MHLSPORTS is a company specialized in sports event management, founded in 2005 by a group of coaches passionate about youth basketball. Our goal is to offer the clubs that place their trust in us the best possible events, both logistically and competitively.

In Zaragoza, Easter is synonymous with **YOUTH BASKETBALL**. Yes, **BASKETBALL** in capital letters: **MORE THAN 250 TEAMS** from across Spain and abroad will meet again in the Aragonese capital for the **19th EDITION** of a tournament recognized by clubs and federations alike.

ZARAGOZA EUROPEAN CAPITAL OF SPORT

Zaragoza, **European Capital of Sport 2027**, is the setting for a particularly exciting edition of our tournament. At MHL Sports we want to share this special year with the participating teams in a city committed to sport, to grassroots development and to hosting major events.

Our tournament contributes to this commitment by doing what we do best: bringing young athletes together and offering them an experience that goes beyond the games. The camaraderie between teams, the learning and the chance to share their passion for basketball are what give each edition its meaning.

Zaragoza | 2027 Capital Europea del **Deporte**

We also want the players, coaches and families who join us to enjoy Zaragoza. Its heritage, its streets and its atmosphere are part of the experience we create, in a year when sport holds a special place in the life of the city.

EDITIONS PREVIOUS

Over the past editions of the MHLSPORTS Easter Tournaments in **ZARAGOZA, more than 30,000** young athletes have taken part in the event.

The most recent edition, held in 2026 over two dates, brought together **2,956 participants** in **231 teams** from **12 regions of Spain**. Once again, the tournament had an **international character**, with teams from **8 different countries**.
