JACA

JACA, known as the "Pearl of the Pyrenees", is a beautiful town in the heart of the **ARAGONESE PYRENEES**. With a rich history dating back more than a thousand years, Jaca boasts a charming blend of medieval and modern influences.

It is dominated by its imposing **CITADEL**, a magnificent 16th-century fortress that stands as a testament to the town's strategic importance over the centuries. Strolling through Jaca's cobbled streets offers visitors a visual feast of well-preserved historic architecture, from picturesque stone houses to impressive churches.

Jaca is also known for its rich cultural heritage, and the warm hospitality of its people adds a special touch to any visit. **The local cuisine** is a delicious fusion of traditional Aragonese flavours and contemporary culinary techniques, making every meal in Jaca a memorable experience.

Jaca is a place where **history**, **nature** and **culture** come together in perfect harmony, and sport too: it is a paradise for hiking, climbing and mountain-biking enthusiasts, with stunning routes and landscapes in the Pyrenees. **The town also hosts nationally and internationally renowned sporting events**, showing its commitment to the world of sport. Its unique mix of old-world charm and modern vitality makes it a must-visit destination for any traveller.

ARAGONESE PYRENEES

The **Aragonese Pyrenees** are one of the most spectacular natural areas in Spain. This mountain range is part of the central Pyrenees and stretches across valleys and peaks over 3,000 metres high, such as Aneto, its highest summit.

Its landscape combines majestic mountains, deep gorges, crystal-clear rivers and lush forests, creating an ideal setting for nature and sports lovers. Among its treasures are the **Ordesa y Monte Perdido National Park**, a UNESCO World Heritage Site, and protected areas such as the **Posets-Maladeta and Valles Occidentales Natural Parks**. These places are home to unique biodiversity, with emblematic species such as the bearded vulture, the Pyrenean chamois and a wide variety of alpine flora.

Villages such as **Canfranc Estación, Villanúa, Ansó and Hecho**, and the monastery of **San Juan de la Peña**, are a must for history and nature lovers.

Local dishes such as valley veal, migas and artisan cheeses complete an authentic experience. In winter it is a paradise for skiing and snow sports, while in summer it offers hiking trails, climbing and water activities.

JACA – PIRINEOS FÚTBOL CUP

Grassroots football, an unbeatable setting and an unforgettable experience. The **"JACA - PIRINEOS FUTBOL CUP"** is the international tournament designed for clubs, schools and sports associations to end the season in style, in a unique setting: **Jaca and the Aragonese Pyrenees.**

Behind it is the commitment of Jaca Town Council and two of the leading sports event organisers in Spain, **Mare Nostrum Cup (MNC) and MHL Sports.** They are joined by the support of the **Town Councils of Sabiñánigo, Villanúa and Castiello de Jaca**, which renew their commitment to the tournament following the success of its first edition.

A sporting and family event in one of **Spain's leading areas for sports, cultural and nature tourism.**
